TOWN OF CAMPBELL RESOLUTION NO. 3 OF 2026

A RESOLUTION STRONGLY URGING IMMEDIATE REVIEW OF ELECTRIC DELIVERY CHARGES, DEMANDING IMPROVED COST CONTROLS AND TRANSPARENCY, AND AUTHORIZING FORMAL COMPLAINTS TO THE NEW YORK STATE PUBLIC SERVICE COMMISSION REGARDING THE ESCALATING COST OF ELECTRICITY WHEREAS, residents, seniors, and small businesses in the Town of Campbell are experiencing unsustainable, repeated, and compounding increases in electric bills that are placing a growing financial strain on households and the local economy; and WHEREAS, a substantial portion of these increases is attributable not to increased energy consumption, but to escalating delivery charges, fees, and approved rate adjustments imposed by NYSEG; and WHEREAS, electric delivery charges and rate structures are regulated and approved by the New York State Public Service Commission, which is statutorily charged with ensuring that utility rates are just, reasonable, and affordable

for ratepayers; and WHEREAS, the Town Board has received complaints from residents who are struggling to afford basic electric service and who have expressed serious concern regarding the frequency, magnitude, and lack of transparency surrounding recent and ongoing rate increases; and WHEREAS, rural and low-density communities such as the Town of Campbell are disproportionately impacted by delivery charge increases and cost-recovery mechanisms that fail to adequately account for affordability, equity, and the cumulative burden placed on ratepayers; and WHEREAS, the Town Board finds that continued approval of rate increases without stronger cost controls, greater transparency, and meaningful affordability protections is unacceptable and contrary to the public interest; and WHEREAS, the continued approval of rate increases without stronger cost controls, greater transparency, and meaningful affordability protections is unacceptable and contrary to the public interest. NOW, THEREFORE, BE IT RESOLVED, that the Town Board of the Town of Campbell formally and strongly urges the New York State Public Service Commission to conduct a thorough and immediate review of electric delivery charges, rate increases, and cost-recovery practices applicable to NYSEG customers; and be it further RESOLVED, that the Town Board calls upon the Public Service Commission to prioritize ratepayer affordability, demand greater transparency from NYSEG, and require demonstrable cost-containment and operational efficiency measures before approving any future rate increases; and be it further RESOLVED, that the Town Board expressly opposes continued or automatic rate increases that shift rising operational, infrastructure, and administrative costs onto ratepayers without clear justification or adequate protection for rural communities; and be it further RESOLVED, that the Town Supervisor is hereby authorized to submit formal complaints, written comments, and supporting documentation to the New York State Public Service Commission on behalf of the Town and its residents, objecting to excessive electric costs and requesting regulatory intervention; and RESOLVED, that the Town Clerk is directed to transmit certified copies of this resolution to the New York State Public Service Commission, NYSEG, the Governor of the State of New York, and members of the New York State Legislature, and neighboring municipalities served by NYSEG, and to encourage coordinated action among affected towns; and RESOLVED, that this resolution shall take effect immediately upon adoption.
